

## EVS Global Awareness Assignment

Formative Assessment – 12pts

- + Choose a sovereign nation today (you may not choose USA)
- + Briefly describe:
  - + Location
  - + Government type
  - + Population/Economic status (MEDC/LEDC)
  - + Dominant religion(s)
- + Discuss your nation's overarching EVS – how they protect and harm the natural environment, any laws passed to protect
- + Analyze and explain multiple EVS perspectives over the past century for your chosen nation
- + Based on your understanding from today's ppt, explain *why* you think this nation treats the natural environment the way it does. Cite evidence from past and present

### Checklist:

- Hand-drawn map of nation and surrounding nations (small) **2pts**
- Aesthetically pleasing and easy to understand **2pts**
- Ensure each point was covered **5pts**
- Entire page filled up (completed on printer paper) **1pt**
- List 2 sources on the back of your paper (MLA format) – name on back of paper **2pts**
